Availability
Please check the rental agreement for accuracy. Specify the exact start time and end time of the event including the time you will need for set-up/registration/clean-up; you may be expected to leave the studio immediately upon your scheduled completion time.

Agreement and Insurance
Once the Facility Rental Request has been received, and it has been determined that the requested dates do not conflict with San Francisco Ballet activities, we will confirm the finalized reservation date and time. At this time SF Ballet will send a Rental Agreement and a Hold Harmless form. Please review, sign, and return the Rental Agreement and Hold Harmless form to SF Ballet.
Your organization must provide a Certificate of Insurance with the following:
1. Required Insurance types and limits
   a. General Liability: $1M each occurrence, $2M aggregate
   b. Auto coverage: $1M each occurrence *(Required ONLY if parking or loading/unloading a vehicle on SFB property)*
   c. Umbrella Liability: $3M each occurrence (Larger or full building rentals may require higher coverage)
   d. Worker’s Compensation: $1M each occurrence

2. Please list the SF Ballet as Additional Insured. The Additional Insured provision should be *unrestricted*, meaning that it should NOT be limited to “as required by written contract”.
3. Please include the following under “Certificate holder”:
   San Francisco Ballet Association
   455 Franklin Street
   San Francisco, CA 94102

4. Please provide a Waiver of Subrogation in favor of the Ballet.
5. Please include the wording “All Operations” within the description of operations, locations, vehicles section of the certificate.
6. Please provide with a minimum of ‘30 days’ written notice in the event of cancellation of the policy (except, 10 days for non-payment of premium)”. This information can be typed directly onto the certificate.

*Organizations with no employees may have the requirement for Workers Compensation insurance coverage waived but must carry Medical Payment Coverage (aka Accident Medical Expense Coverage) for Participants with no less than a $25,000 limit. If the organization hires independent contractors who will work for the organization in San Francisco Ballet’s rented space, then the organization specifically attests that it requires said independent contractors to carry his or her own worker’s compensation insurance and has obtained a copy of such a policy for their records. Said policies do not need to be provided to San Francisco Ballet.

Should your organization carry coverages that differ from those detailed above, eligibility will be determined on a case-by-case basis. The Rental Agreement, Hold Harmless form, payment, and proof of insurance must be received to guarantee your reservation for the space.
Please note that the studio(s) to which you are assigned could change on the day of the rental in order to accommodate changes to the SF Ballet School or Company schedules. For security reasons, SF Ballet may request that all guests use the 1st floor restrooms.

SFBS students participating in School or Summer Intensive auditions should expect to pay all applicable fees.

Visitors (Parents, Media, Press)
At this time, only the auditioning person is permitted inside the facility, parents or chaperones should expect to wait outside or return at the end of the audition session. SF Ballet does not allow the media into our building without advanced written permission. All persons entering the SF Ballet facility must provide proof of vaccination.

Health and Safety Practices (Relating to COVID-19 Restrictions)
SF Ballet follows all local, state, and federal guidelines to protect the health and safety of its staff, company, students, and visitors. Rental guests will be subject to any guidelines in place at time of event, including but not limited to vaccination verification, wearing face coverings, logging attendees for contact tracing, keeping proper distance and separation, and/or restricting capacity to events. SF Ballet will make all efforts to inform of current policies and procedures.

For the 2021/22 season, SF Ballet is requiring the rental of a minimum of two studios, one (or more) to be used for registration and waiting, and one (or more) to be used for audition. Attendees will be asked to wait outside until check-in begins in the designated studio, and all attendees must be pre-registered. We are requiring proof of full vaccination as outlined by the CDC, to be verified by a SF Ballet representative. As of February 1, 2022, this includes boosters if eligible. We will also be limiting attendance to the maximum the studio space allows at one time. Multiple sessions may be scheduled within the rental time frame; however, we ask that session times for attendees be staggered to allow time for vaccination check at the front doors.

COVID-19 Language on Audition Registration Materials
Please provide the following information accessible to audition registrants in advance of the audition date:
“San Francisco Ballet is currently only permitting fully vaccinated individuals (as outlined by the CDC) to participate in external auditions and events. All persons entering the building will be asked to provide proof of full vaccination (including boosters if eligible as of February 1, 2022), and wear a well-fitted face covering over the nose and mouth at all times while in the facility. Only surgical, KN95 and N95 masks without vents are considered acceptable, and surgical masks will be provided if needed. Attendees may be asked to wait outside until the beginning of the registration period. Only audition attendees will be permitted inside the SF Ballet building, all others will be asked to wait outside.”
